You Would Feel Better If You Had a

Good Summer Tonic

Most people at this time of the year need a good general system tonic. Even those who take the very best care of themselves find that they are obliged in the hot weather to tone up the system. You may not feel the need of it this week, but you will before long; but whether you do now or not remember that PECOR'S ORANGE PHOSPHO is the best known SYSTEM TONIC. It acts through the blood on every part of the system, reviving and stimulating it to new life and injecting the whole body full of energy. JUST WHAT YOU NEED. Only 50 cents per bottle.
